

Livonia Businesses: Say NO to Annexation!

Why Should You Say a Resounding NO! to the ANNEXATION of Land to Livonia

1. Why this is bad for Livonia Businesses:

- Livonia taxes would be used to support the creation of **new retail that could be the size of Twelve Oaks at Seven Mile and Haggerty.**
- New mega retail (such as, Wal-Mart, restaurants, outlots, etc.) will **negatively impact Laurel Park Place Mall and other Livonia retail businesses.**
- Our Chamber Dues should be used to support current businesses.
- Livonia should focus on restoring the existing business base.
- Livonia should devote itself to existing planning and development issues.

2. Stand up and be heard!

- Contact the Livonia Chamber and tell them you **DO NOT support Annexation** and you **do not want them endorsing it:**
 - Livonia Chamber: (734) 427-2122 or www.livonia.org
- Send **donations** to: Citizens to Stop Annexation
37637 Five Mile Road, Livonia, MI 48154.
- Put a **poster** in your window and **flyers** opposing annexation on your business countertops.
- **Distribute information** to Livonia residents.

3. The Situation:

- The same developer (Schostak) who put Wal-Mart at Wonderland Village is promoting annexation because he does not want to abide by Northville ordinances and possible forest preservation.
- To sidestep the law, the developer manipulated Northville and made the property (Northville Psychiatric Hospital) eligible for annexation.
- Why let a developer direct city funds for his personal gain?
- Why let a developer direct the future of our city?

No Dirty Land – No Dirty Politics - Vote NO!
